

Frank Posada IV

Vista, California 92083

619-901-7344 · frankposada4@icloud.com

PROFESSIONAL SUMMARY

Customer-focused professional with a proven record of delivering exceptional service at scale — supporting 200+ customers daily in fast-paced, high-volume environments. Skilled in relationship management, conflict resolution, and operational excellence, with hands-on experience in payment systems including Stripe, POS platforms, and SaaS tools. Recognized for clear communication, rapid software adoption, and the ability to resolve complex issues with professionalism under pressure. Seeking a Customer Success or SaaS Support role where technical aptitude and customer engagement drive satisfaction and retention.

PROFESSIONAL EXPERIENCE

Customer Service Representative

G&M Oil Company | November 2024 – Present

- Deliver exceptional customer service to more than 200 customers daily in a high-volume convenience store and fuel station environment.
- Process cash, credit card, mobile payment, lottery, and EBT transactions with accuracy and efficiency.
- Resolve customer concerns, inquiries, and service issues while maintaining a positive customer experience and strong customer relationships.
- Ensure compliance with California regulations regarding age-restricted sales and company operational policies.
- Assist with inventory management, merchandising, product stocking, and store presentation.
- Support daily business operations, including opening and closing procedures, cash reconciliation, and shift responsibilities.
- Collaborate with team members to maintain operational efficiency during peak business periods.
- Demonstrate reliability, attention to detail, and professionalism in a fast-paced customer-facing environment.
- Adapt quickly to changing customer needs and business priorities while maintaining service excellence.

CERTIFICATIONS

- California Responsible Beverage Service (LEAD) Certification
- Electronic Benefits Transfer (EBT) Certification
